

Disciplinary Procedure

At **Coalway Early Years** we follow our legal obligations as an employer at all times including dealing with any disciplinary matter in a fair and consistent manner. We have a policy and procedure that set out our process.

Legal obligations

Our legal obligations as an employer are detailed in the ACAS Code of Practice on disciplinary and grievance procedures. This code of practice was introduced in April 2009 and updated in 2015. A full copy of the ACAS Code of Practice and the accompanying guidance can be obtained from the ACAS website www.acas.org.uk

We note that a failure to follow the code does not, in itself, make an organisation liable to formal proceedings at an employment tribunal, but failure to follow the code may result in any compensation award payable to be increased by up to 25% or reduced by 25% if the employee does not comply.

Objectives and guiding principles

The objective of this procedure is to set out the standards of conduct expected of all staff and to provide a framework within which our managers can work with employees to maintain satisfactory standards of conduct and to encourage improvement where necessary.

It is our policy to ensure that any disciplinary matter is dealt with fairly and consistently. We will take the necessary steps to establish the facts and to give employees the opportunity to respond before taking any formal action.

This procedure does not form part of any employee's contract of employment and it may be amended at any time. We may also vary this procedure, including any time limits, as appropriate in any case.

The procedure applies to all employees regardless of length of service.

Minor conduct issues can often be resolved informally between the employee and their line manager. These discussions should be held in private and without undue delay whenever there is a cause for concern. Where appropriate a note of any such discussions may be held on the employee's personnel file, but will be ignored for the purpose of future disciplinary issues.

Formal steps will be taken under this procedure if the matter is not resolved, or if informal discussion is not appropriate (due to the serious nature of the allegation against you).

The employee will not normally be dismissed for a first act of misconduct, unless we decide it amounts to gross misconduct or the employee has not yet completed their probationary period.

The procedure

Our aim is to deal with disciplinary matters sensitively and fairly. All employees must treat all information in connection with the disciplinary procedure and its investigation as confidential.

Where there has been a serious allegation of misconduct or gross misconduct and/or there are serious concerns regarding the employee’s capability, we aim to establish the facts quickly and no disciplinary action will be taken until the matter has been fully investigated. The employee will be informed if a formal complaint is made against them, and if necessary they may be suspended on full pay pending the outcome of the investigation and disciplinary procedure.

Please refer to your contract of employment and staff handbook for the disciplinary procedure.
